1. This award is given to a Filipino or Filipino American student in Nevada (at the time of nomination), who has either excelled in academics, passion for community service, extraordinary talent, and/or participated in activities that promote Filipino heritage.

2. This award is given to a Filipino or non-Filipino, either as individual, group, organization, or company for their consistent assistance to the local Filipino American community in Nevada.

3. This award is given to a Filipino or Filipino American individual, group or organization who has contributed, participated, and promoted activities that has taught or advanced the Philippine heritage – its history, culture, arts, tradition and positive values.

4. This award is given to a Filipino or Filipino American individual, group or organization for their consistent assistance and community service to the Filipino community in the Philippines, and/or to the local Filipino American community.

5. This award is given to a Filipino or Filipino American individual who has attained success in their chosen profession, has uplifted the Filipino American community in the mainstream, and has inspired others to overcome obstacles and make sacrifices to achieve their goals.
